

# We Need Your Support!

Sadly, as COVID-19 continues to permeate through our communities, all of our major fundraising events that we attend have been cancelled for the summer months and potentially the fall. This includes the events we host, like Pups & Putts and our Open House.

Your donation(s) will help us provide additional enrichment for our dogs and implement additional public health and safety measures in order to keep our staff healthy, critical needs that will enable us to continue to provide excellent care to our dogs as we navigate the uncertainty and challenges in the days, weeks and months ahead.

## Many ways to help support Mackenzie's!

Together, we are making a HUGE difference in the lives of so many rescue dogs.

Mackenzie's is dedicated to finding forever homes for abused, abandoned and neglected dogs. Up to 115 dogs receive daily care, food, training, medical care and the affection of staff and hundreds of volunteers. Our nonprofit is supported entirely through the charitable donations of individuals, business, foundations and caring people like YOU! Thank you for all you make possible!

# How COVID-19 Has Affected Mackenzie's

Daily life at Mackenzie's Animal Sanctuary looks quite different since the start of the outbreak. In keeping with Governor Whitmer's Executive Orders our volunteer and adoption programs have been placed on hold for some time now. We are more than ready and so very hopeful to open these programs up very soon.

Before the outbreak, dozens of volunteers flocked to M.A.S. grounds daily; our new "normal" has only 5-8 staff on-site per day, a stark difference from several months ago. Our staff members on-site are truly essential, working tirelessly to meet the many needs of our dogs – feeding, cleaning, medicating, providing human interaction, training, socialization, and so much more. You all have done such an amazing job, Thank you!
